KANANA NYANA

Ker & Downey Botswana announces the opening of their newest camp,
A New Benchmark in their collection of refined intimate Safari

OPENING 15th OCTOBER 2026

KANANA NYANA

More than architectural elegance, Kanana Nyana embodies a philosophy of thoughtful, considered design, deeply rooted in Botswana. Every element has been meticulously crafted to create an atmosphere of quiet serenity, where space, light and materiality work in harmony to immerse guests fully in the tranquil surroundings of the Okavango Delta.

Ker & Downey Botswana is proud to launch Kanana Nyana, located in one of the Okavango Delta's most productive wildlife areas bordering Moremi Game Reserve.

Welcoming guests from 15 October 2026, Kanana Nyana is the most elevated expression of Ker & Downey Botswana, redefining contemporary safari design, with four individually styled and decorated, ultra-private thatched safari suites.

A striking architectural vision coupled with an elevated location overlooking the Xudum River and floodplains, the camp embodies the balance between aesthetic beauty and practical excellence. The camp name Kanana Nyana pays homage to the Setswana word for small, celebrating the rarity of exclusivity with a maximum of eight guests.

KANANA NYANA DETAILS

- Expansive central spaces with bar, lounge and dining in distinct areas.
- Four thatched safari suites, each individually styled and uniquely decorated.
- A private plunge pool, one per suite.
- Two vehicles, each seating 4 Guests (though configured for 6 guests).
- Gym and in-room wellness treatments.
- Rates seasonally vary from \$1250 to \$2480 per person per night

Embedded in our enduring philosophy of balance, Kanana Nyana celebrates both the grandeur of the Okavango Delta and the intimacy of detail. From sweeping, visceral views across shimmering waterways and expansive plains to the weathered timber arches framing a gateway entrance to each thatched suite, the camp harmonises scale with subtlety.

Drawing inspiration from nature's unending colour palette, each suite's decor is unique, celebrating the sage green, subtle pale -yellow and dusty pink hues woven with other layered textures of this pristine wilderness. Each thatched suites' decor draws inspiration from the ancient forest in which it is nestled, reflecting some of the Okavango's great trees - the Marula, Sausage, Ebony and Mokolwane Palm.

Kanana Nyana is a refined evolution of the Ker & Downey Botswana legacy, assuring discerning travellers an Okavango Delta safari experience defined by privacy, our signature warmth and meticulous service and design excellence, all underpinned by insightful guiding.
