SHINDE PRIVATE CONCESSION

SHINDE FOOTSTEPS

Shinde Footsteps is a charming, timeless camp designed for guests seeking a deeper connection with nature.

Set in the Northwestern corner of the Shinde Concession in the Okavango Delta, Shinde Footsteps design is intentionally light in its environmental footprint, 'with the camp's understated character inviting travellers to slow down, immerse themselves in their surroundings, and share in the easy camaraderie that naturally develops between guests and the dedicated camp team - all while enjoying an exceptional safari experience.

Days unfold with exploration of the diverse and captivating wilderness where acacia and leadwood woodlands give way to open grassy plains and islands dotted with marula and sausage trees.
